

## **Trade exhibits**

The Exhibition Foyer at Wrest Point Hotel and Convention Centre provides an ideal location for exhibits. Morning and afternoon teas and lunches will be served in this area which is also adjacent to the plenary theatre, poster exhibition room, registration desk and speaker preparation room.

Companies and organisations exhibiting at Bio-logging IV will enjoy exclusive access to all participants at the conference. Exhibiting at Bio-logging IV will provide you with exposure to an influential regional and global audience. Bio-logging participants represent a wide range of employment sectors and roles (including decision makers, scientists, students and community members).

Bio-logging IV will provide an important venue for companies and organisations to directly distribute information, promote products and develop company loyalty. At the same time exhibiting at Bio-logging IV will increase the educational value of the conference for participants.

### **How much will a trade exhibit cost?**

Trade exhibits for Bio-logging IV will cost AU \$1,500.

### **What is included in the cost?**

- Complimentary full registration (including social events) for two people
- Listing in the conference program, which can include a short description of the products and services provided by the exhibitor and the full contact details of the exhibitor (text and graphics to be supplied by the exhibitor via email[link] to the organising committee by 01 February 2011)
- Listing of the exhibitors logo and/or name and hyperlink on the conference website
- 3m wide, 2 m high, 2.4m deep exhibition booth (set-up and dismantling included) with exhibitors name printed and laminated and attached to external surface of the booth
- Trestle table, seating and lighting
- Daily cleaning
